

More Building For This Region Seen Next Five Years

Johnson Predicts Work On Summit Highway To Start In 1960

Assurance that the building boom in the Truckee area is far from over was given last week during the visit here by Congressman Harold T. (Bizz) Johnson, who assisted in the dedication of the new 21-mile of freeway.

Recently back from Washington where he is serving his first term in the house of representatives, Congressman Johnson said the signature of the president on the emergency gas tax bill guarantees work will be started on the freeway over Donner Summit from Soda Springs to the east end of Donner Lake next year, a distance of approximately 12 miles.

At the same time he said appropriations had been assured for the first steps in the gigantic Washoe reclamation project.

The summit job is expected to take at least two years to complete and will cost in excess of \$17,000,000. This will provide the final link of four-lane freeway from the San Francisco bay area to the Nevada State line.

Johnson said that he and Senator Bible of Nevada and Senator Kuchel of California, among others, have been working to get the Washoe project underway and that there is little doubt the work can be started during 1960.

This work will take at least five years, he estimated.

During his visit here, Johnson made a tour of one of his pet projects as state senator—Squaw Valley, site for the 1960 Olympic Winter Games—and expressed pleasure at the progress which has been made. He plans to return to the valley later this fall for a more detailed survey of facilities.

Although faced with an extremely busy schedule before congress reconvenes, the congressman took time out to officiate at the highway dedication and visit local friends.

Ray Brown Given Garbage Contract

The governing board of the Truckee Sanitary District Tuesday night awarded the contract for hauling local garbage and refuse to Raymond Brown, who was one of four bidders for the job.

Brown's bid of \$300 monthly was considered the best of the four and he will start the work immediately replacing Leo Smisek, who concluded his contract with the district today.

Other bidders were Tom Dolley, \$251; Jack Hotsenpiller, \$105, and Wallace Wood, \$25.

APPLE ATTENDING MANAGERS' SESSION

Managers of Bank of America branches here and overseas and the senior executive officers of the bank arrive in San Francisco by road, rail, sea and air this week Management Conference October for the bank's first Worldwide 1-2.

Manager Lee H. Apple of the Truckee branch and 800 colleagues from Bank of America offices throughout California, Asia, Europe, Latin America and the Middle East will attend the two-day meeting at the Sheraton-Palace hotel.

Keynote of the conference is the importance of the individual in both domestic and overseas banking activities in the new-born era of automation and space travel.

The conference, one of several held by Bank of America since World War II, is the first to include executives from overseas branches.

RONNIE WALKER IS FETED ON BIRTHDAY

Mr. and Mrs. James Walker entertained several young classmates of their son, Ronnie in honor of his September 20 birth date.

A delicious turkey dinner, complete with the traditional cake followed an impromptu football game played on the lawn of the family home.

SALE PLANNED

KINGS BEACH—The Community Methodist Church at Kings Beach will hold its Fall Festival sales of rummage, white elephants, foods and the like Friday and Saturday of this week in the firehouse room of the church. Mrs. Jackson Brandt is in charge assisted by the women of the WSCS.

Many Guests—

Mr. and Mrs. Oscar Schumacher had as recent guests Clyde Anderson of Gardena, Jean Escutouloye of San Francisco, Mr. and Mrs. Ray McCarty of Soda Springs and F. W. McDermott of Santa Cruz. The latter is a fish and game warden for the state.

California-Nevada Water Negotiation Said Near Collapse

Negotiations between California and Nevada for the disposition of water in Lake Tahoe, once thought near complete, have apparently broken down.

California members of the California-Nevada Interstate Compact Commission decided in Sacramento last week that the time has come for a showdown and voted unanimously to meet again with the Nevada group next month and then if nothing is accomplished to call it quits.

A. M. Barton, chairman of the California commission proposed that if no advancement is made at the next meeting California proceed with development of the Tahoe area without regard to present decrees regulating the use of the water. He contended that neither the state of California nor Tahoe landowners are involved in the decrees pushed by the federal government in California and Nevada.

Barton also proposed that California resist any future water developments within its borders from which Nevada lands will benefit if a compact agreement is not reached. Barton received the wholehearted support of commission members and other officials.

"It is better not to have a compact at all than one that does not protect California," Barton declared. "There is a roadblock raised by some people to each suggestion. It seems some don't want to see a compact negotiated."

Any decision to break off negotiations would have to come from the state legislature.

Cecil Edmunds of Truckee, William Beddolt of Tahoe City and George Kehlet of Meeks Bay are members of the California commission.

RED CROSS CLASSES WILL OPEN TUESDAY

Mrs. Marie Henry announces a meeting of the Placer County American Red Cross Oct. 6, Tuesday evening, 8 p. m. at the Community Center. All those interested in the Red Cross and its work are cordially invited to attend.

The American Red Cross starts its first aid course at Tahoe Truckee High School on October 5 at 8 p. m. The 10 hour course is offered free to all interested in first aid. Jack Holgate of Clement Rock Co. will have a group of 12 at the first session; R. Scanlon of Denny Logging expects six of his people to attend, and Sidney H. Topol has three or four people lined up. Mrs. Henry will instruct the course and urges school bus drivers, ski patrol members, and others to enroll at once so that the course can be completed while the weather is still good.

Mrs. William Ketren, executive secretary of the Placer Co. Chapter of the American Red Cross visited Tahoe City last week to insure the initiation of this course under Mrs. Henry's supervision. All those planning work with the ski patrol will have to have a first aid card.

INSPECTION SHOWS MOST CARS GOOD

Eighty per cent of the 46 cars inspected at the local high school Tuesday were in good mechanical condition, with 20 per cent requiring only minor corrections, according to Mrs. Fred Pedley.

Highway Patrol Officers Martin Sturcke, Nick Comolo and James Brehler and Mrs. Pedley conducted the safety check in which the students cooperated. The new Safety Council is composed of representatives from each grade will carry out a program with other high schools of California.

Reject Bid

The board of directors of the Truckee Public Utility District Tuesday night rejected the only bid submitted for the purchase of 68 acres of land south of Donner Creek and west of State Route 89. A bid of \$81,000 was made by G. E. Lewis, which included \$51,000 for the land and the balance for installation of roads and utilities.

LICENSE ISSUED

A marriage license was issued in Carson City, Nev., to Neil Gates, 43 and Helen Hickox, 26 both of Tahoe City.

Recuperating—

Mrs. James Walker is recuperating from a recent illness, her friends are hoping for her early recovery of health.

Eight Injured By Traffic Accidents During Past Week

Truckee Man Hurt When Truck Overtakes On Tahoe Highway

Eight people were injured and taken to the Tahoe Forest Hospital Saturday as a result of two motor vehicle accidents.

In the first, 7 of a mile east of the Carnelian Bay, Lake Tahoe, post office, cars driven by Captain Ralph M. Walker, 39, of the California Highway Patrol at Chico, Butte County, and Miss JaNay Pelletier, 17, Carnelian Bay, collided, injuring seven.

In the second accident, three miles north of Tahoe City on Route 89, Lyle E. Hubbard, 47, manager for the Ransome Company of Truckee, suffered a broken leg when the truck he was driving got out of control and overturned after striking a culvert. He told officers an approaching car crowdled him off the highway.

Taken to the hospital from the first accident were Captain Walker, who suffered several broken ribs, his wife, Lorraine, who is believed to have a broken pelvis, a daughter, Carole Ann, 16, the most seriously hurt and three other children, aged from 9 to 13, who escaped with minor injuries; Michael Jenkins, 16, Kings Beach, a passenger in the car driven by Miss Pelletier, who is in critical condition and Miss Pelletier.

The California Highway Patrol said the investigation into the crash, a head-on collision, is continuing.

Wolverines Ready After Bishop Loss

Five fumbles deep in their own territory and a hard charging fullback from Bishop proved too much for the Wolverines to overcome last Saturday as the local high school eleven went down to their first defeat of the season 25-6.

Lloyd McMurry, 6'2", 190 pound senior Bishop fullback was a demon on defense for the Broncos from southeastern California, as he scored three Bronco touchdowns and passed for the other Bishop counter. The Wolverines plagued by fumbles all during the game, couldn't generate but one scoring drive to match the team from Inyo county. Coach Cal Farley, following the game felt the local were possibly overlooking the non-regularly scheduled game to the first conference clash this week with Winnemucca.

Following the opening kick-off, the Wolverines first fumble on the second play proved very costly as the Broncos moved from the twenty-one yard line to the seven in seven plays. On fourth and goal from that point McMurry did a masterful job of faking an end sweep and passed into the corner

Continued on Page 8

ARCHERY CLUB IS BEING ORGANIZED

A new archery club is being formed in the Truckee-Tahoe area, according to announcement by Frances K. Cernusak of Kings Beach.

The next meeting is to be held Tuesday, October 6 at 8 p. m. over the post office at Tahoe City. All those interested are invited to attend. For further information potential members are asked to call either Liberty 6-4500 or JUniper 3-3862.

INITIATION IS HELD BY RAINBOW GIRLS

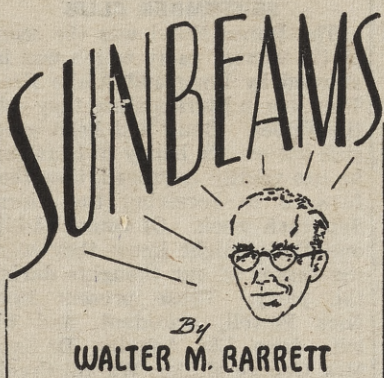

Officers and members of Hope Assembly No. 18 gathered at Masonic Hall for a regular meeting and initiation on September 28. The new candidate inducted was Evelyn Hintz. It was also farewell night for Diane McGilhon, retiring worthy advisor, and her corps of officers.

SALE SUCCESS

The Friday pastry sale of the Truckee Cooperative Nursery School was a success, according to Mrs. L. Goicoa who also is reminding the public that their doll, dressed by the members, will be on display at local stores.

Buy At Bay—

Mr. and Mrs. Charles Heller returned from the bay district where they were on a buying trip for their Heller's Variety store.

A salute this week to the Truckee Donner Chamber of Commerce for arranging and presenting the program dedicating the new freeway through Truckee. A special salute to the high school and for its fine presentation during the ceremonies and a thank you to the officials who took time out from busy schedules to participate in the program.

Why youngsters prefer to play on paved streets rather than in wide-open vacant lots is a mystery, and at the same time it offers quite a problem for drivers. Often groups of small children congregate on the streets to play games and drivers are forced to stop and drive with extreme care to avoid striking them. We would like to suggest that parents caution their children to select less dangerous playgrounds. Some careless or thoughtless driver may not be able to stop in time to avoid a tragedy.

Hirschdale Mill Is Destroyed By Fire

The sawmill at Hirschdale was completely destroyed by fire at about 3:30 a.m. today.

The plant had only recently been remodeled by the owner, Dave Tremayne of Truckee. The cause of the fire and the loss of property was not immediately learned.

The forest service suppression crew was called to prevent any spread of the fire and a patrol in the area was being maintained today.

SHARON TREMAYNE TO WED NEXT JUNE

Mr. and Mrs. David Tremayne of Donner Lake this week announced the engagement of their daughter, Sharon, to Harold Brown, son of Mr. and Mrs. Gale Brown of South Lake Tahoe and a resident of Truckee.

Both young people are well known here where they attended Tahoe Truckee High School. Miss Tremayne is still a student there and Brown is employed at Z Markets.

The wedding date is indefinite but is planned for June.

UNITED NATIONS TO BE TOPIC OF MEET

The regular meeting of the W.S.C.S. of the Church of the Mountains will meet at the home of Mrs. C. W. Sciutto on October 7, at 8 p. m.

The work of the United Nations will be the theme of the meeting. Plans will be made for the Week of Prayer and Self-Denial, October 25 to 31.

Mrs. C. Z. Smith, chairman of the recent rummage sale, wishes to thank all those who contributed for the success of that event.

SIERRA STOCK CO. WILL MEET OCT. 4

The Sierra Winter Stock will hold an important meeting Sunday, October 4 at 8 p. m. in the Crystal Bay Club with Margaret Ashton presiding, according to Allan Ludlam, publicity chairman.

The thespian group will decide on their first three act play to be presented during the winter. If interested persons do not wish to act they can take part by making and painting sets and in a number of other related activities. A one act play will precede the meeting.

RETURN HOME

Mr. and Mrs. A. B. Polyanich returned home Tuesday after a 5,000 mile motor trip through the south and west. Upon their return, Polyanich entered the Tahoe Forest Hospital for medical care, having taken ill on the return trip.

67th Wedding Date—

Mr. and Mrs. Harold Langille returned from Berkeley where they attended the observance Monday of the 67th wedding anniversary of his parents, Mr. and Mrs. J. C. Langille.

7,000 Hunters Get Good Results As Season Is Opened

Best Hunting For Years Is Reported: Only One Small Fire

An estimated army of 7,000 hunters invaded the district on the opening day of the hunting season to take advantage of the excellent conditions which prevailed and left with the largest and best crop of deer killed in recent years.

Henry Toccalini of the U. S. Forest Service had counted 345 validated tags up to Tuesday and estimated that many more had not yet been turned in or accounted for.

It is believed that a new record in opening day was established in the number of hunters as well as the number of deer killed. Not only were there many deer killed but all were larger and in better condition than for several seasons.

Only one forest fire was reported. A small blaze was extinguished a mile east of the Flycasters in Union Valley Sunday afternoon at 3 p. m. This was caused by a careless hunter.

Toccalini said the biggest deer validated thus far was a buck killed in Antelope Valley near Sierraville by Frank Glynn of Santa Rosa. The animal had 14 points on one side and eight on the other and weighed 185 pounds.

Among the first to bag a deer was Nick Sassarini who was back in town shortly after sunup with his limit.

DONNER LAKE PLANS TO FORM GROUP TO BOOST THAT AREA

By VIRGINIA O'BEAR
A meeting was held at Donner Lake Lodge Monday evening with most of the Donner Lake motel owners in attendance. It was a unanimous decision to form an organization and a special meeting was called for Sunday night, October 4. That night, the organization will be named and officers will be elected.

The motel, hotel and lodge owners of Donner Lake feel they should get together to publicize our area. With the popular year round activities that we have to offer, it was decided to let everyone know about our area with a Donner Lake motto, "Stop Over At Donner." When the new freeway is completed we do not intend to be by-passed.

By advertising the good hunting in the area, the tremendous size of the fish caught in Donner Lake, the winter skiing, because we are right in the heart of all the ski areas, and the boating and swimming which has become so popular, we can accommodate everyone in every way no matter what time of year they take their vacation.

At Monday night's meeting, Carson White was the principal speaker. He stressed the point on how important it is to start advertising our area now so that by the time the freeway is completed, people will be Donner Lake conscious. Everyone voiced their opinion at the meeting and came up with very good ideas to be presented at Sunday night's meeting.

Also in progress, the people at Donner Lake are working to get a postal sub-station. We understand that it will take a little time because we have to get the names of every resident living at Donner Lake. The post office at Donner Lake will help our area also, as well as easing the strain at the Truckee post office. Mrs. Elizabeth Bavier, postmaster in Truckee, is cooperating so when we get all of the names turned in to her, she will see that it gets immediate attention.

All motel, hotel and lodge owners, be sure to attend the meeting this Sunday night at Donner Lake Lodge. The time is 8 o'clock sharp so let's all be there.

EXHIBITS ART

Glady's Joergers Gray of San Luis Obispo, daughter of Mr. and Mrs. J. E. Joergers of Truckee is exhibiting her watercolors at the Crocker Art Gallery in Sacramento until October 25 between 10 a. m. and 5 p. m. daily. Art lovers are invited to view the pictures without charge.

Uniforms Needed—

Anyone wishing to donate an outgrown Girl Scout uniform for further use may contact Mrs. Robert Leamon or Mrs. Roy Saarni of Truckee.

Paintup Project Is Still Drawing Wide Spread Publicity

Truckee's cleanup-paint project is continuing to receive wide-spread publicity, and while the program sponsored last spring by the Truckee Donner Chamber of Commerce has reached a low ebb, there is still considerable activity locally.

The most recent issue of Western Paint Review, published in the interests of the paint and painting industries of the Pacific, with a circulation of 27,000, devoted its front cover and considerable space inside to the local project.

The story starts off with: "The entire Truckee and Donner Lake areas of California may be old in years and in history—but with the help of just about everybody in town, including your Pabco Paint Co.—they are doing their best to look 'young and spruce' for the Olympic Winter Games set for Squaw Valley Feb. 18-28 next year."

"Public spirited citizens, led by Zeph Rose as committee chairman, and N. F. Dolley, president of the Truckee-Donner Chamber of Commerce, formed a Paintup, Clean-up Group."

The article goes on to mention those who participated, the work of the teen agers, whose picture painting the old house near the Methodist Church, in record time, filled the cover of the magazine and praised Rex Reid of Builders Service Center and others for efforts in the campaign.

Truckee Loses To Verdi In Last Game

By JOHN FIRPO
Six home runs and a twenty-five hit attack by the visiting Verdi Vandals were too much for the home town Truckee Mountaineers as they dropped a slugfest ballgame to their cross-border rivals, 23-7. Wes Apperson limited the Californians to just 8 hits; he struck out 1 while walking four men.

Ernie Pello was the starter and loser for Truckee; he gave up four of the six Vandal home runs, L. J. Robinson, normally an infielder and utility man, relieved Pello in the fifth.

The Verdi nine exploded for six runs in the first frame, five in the fifth, and nine in the seventh while Truckee's only real scoring period

ROBERT EDWARDS HOSTS AT PARTY

Major and Mrs. Robert Edwards entertained Monday evening, honoring their three house guests from the east, including his sisters, Mrs. Fred Weiler and Miss Margaret Edwards and his sister-in-law Mrs. Beaumont Edwards, all of Allentown, Penn.

Invited to the affair were Messrs. and Mesdames Frank Gaennie, Nat Quilici, Frank Fox, William Stevenson, Bruce Quarty, Henry Toccalini and Percy Samme and Mike Bimbo.

WYETHIA MEMBERS TOUR SQUAW AREA

Twenty four members and guests of the Wyethia Club were enthusiastic following their tour of the Squaw Valley Olympic site facilities last Friday, conducted by Jack Starratt and Robert Russell. Information concerning the history, installations, tickets and program of the world event in February 1960 was enlightening to the group.

October 23 is the date for the next scheduled meeting.

Daughter Born

The Richard Joseph family has received the announcement of the arrival September 21 of a daughter for Mr. and Mrs. Patrick Doran of Spokane, Washington.

Mrs. Doran is well remembered by friends here as Mrs. Levon Joseph.

TO ELECT

Truckee Chapter, No. 116, Order of the Eastern Star will hold an election of officers, October 6, with Pearl Heller w.m. presiding. A pot luck supper will precede the business at 6:30 and an initiation will be included in the meeting.

Jennings Here—

M. L. Jennings of Sacramento have been visiting at the Gateway Motel.

Freeway Opened As Dedication Is Staged Last Week

Congressman, Senator Are Honored Guests At Local Program

Following the impressive ceremonies Thursday which marked the official dedication, the new 21-mile freeway between Donner Monument and the Nevada State line was opened Monday morning.

All west bound traffic was being diverted at the Melver turn so as to pass through the quarantine station but east bound traffic was permitted on the full length of the road.

Ideal weather conditions and a well-filled program marked the dedication services Thursday with N. F. Dolley, president of the Truckee Donner Chamber of Commerce, the sponsoring organization, acting as master of ceremonies, assisted by Zeph Rose, vice president.

BAND ON HAND

The high school band, under the leadership of Ross Price, played several numbers, while the barricade across the freeway was demolished with a huge roller manned by Congressman Harold T. (Bizz) Johnson and State Senator Ronald Cameron, two of the several honored guests on the occasion. Both Johnson and Cameron spoke briefly as did P. R. Lowden, who represented Alan Hart, district highway engineer, who was unable to attend.

Following the opening, a caravan, led by Sergeant Frank Snyder of the California Highway Patrol, drove to Boca and back over the new road and gathered at Smart's for a no-host luncheon and further

425 Pairs Of Shoes Given By Heller's

When the first baby was born at the Tahoe Forest Hospital following its dedication April 15, 1952, Mr. and Mrs. Charles R. Heller of Heller's Variety Store presented the infant with his first pair of booties.

This became a practice with the Hellers and each child born at the hospital was subsequently given a pair of shoes from the Variety Store.

J. J. McGlade, hospital administrator, this week reported that more than 425 babies have arrived at the hospital and 425 pairs of booties have been presented.

RENO MAN NAMED AS FOREMAN OF UTILITY

Harold M. Harden, who for the past two years has been employed as a lineman by the Sierra Pacific Power Company at Reno, has been engaged as foreman for the Truckee Public Utility District. The newcomer starts his work here Monday.

Harden, who replaces George Kenyon as foreman for the district, is married and has one child. The family plans to move to Truckee as soon as suitable housing can be found.

The new foreman has had considerable experience in electrical work, having been employed as foreman and lineman for various concerns since 1947.

His application was chosen from a number submitted for the position.

CHURCH INSTRUCTION CLASSES WILL START

A new series of instructions on the teachings of the Catholic Church will be opened tonight at 7:30 o'clock at the parish house in Truckee. Sessions are scheduled to last about one hour, Father P. J. O'Neill said.

The classes are open to all who are interested, both Catholic and non-Catholic. Doctrinal and moral teachings of the church will be explained with emphasis on liturgy, particularly the Holy Sacrifice of the Mass. Sister Eve will be conducting the Confraternity of Christian Doctrine classes as usual at Parish Hall Thursday evening at 7.

GROSSES BUY TEXACO STATION NEAR HERE

Jack and Ruth Gross recently bought Lauren Russell's Texaco service station located near the present quarantine station, and have moved to their new home at Donner Lake.

Mr. and Mrs. Gross are well known in the vicinity, having been with the Sugar Bowl Ski Corporation for a number of years before their decision to go into business.

CORRECTION

Melvin F. Jones, Carnelian Bay real estate agent, announced that his suit against members of the Dollar family for fees allegedly due for the sale of land in the Dollar Estate, did not involve the entire estate at Lake Tahoe but only 100 acres of the 2400-acre tract.

WEATHER
Sunday and such a beautiful day, temperature is 76 degrees. Lots of golfers and boats out today. Too bad it is going to be dark so early — should be daylight saving all the time.

ORGAN MUSIC
Now we hear that our beautiful friend Enola Degregorio is to play at Harrah's Club on the South Side of the Lake—the club is indeed lucky.

SEPTEMBER CLUB
The Dunes Motel was the scene of the annual party which was instituted by Doug and Addie Free. They are in Florida since they sold the Dunes. Doug had been quite sick but we are happy to hear that he has greatly improved, they look forward to receiving the Sierra Sun each week. Of course Addie and Doug might know they were the center of our thoughts during the party. Those present were Nick Powell, president, and his wife from Los Angeles, Dr. and Mrs. George Muller, Walnut Creek, Mr. and Mrs. George Bingham, San Leandro, Mr. and Mrs. Ken Bruner, Corona Del Mar, Mr. and Mrs. John Levett, Portola Valley, Mr. and Mrs. Frank Hollett and daughter, Des Moines, Iowa, Mr. and Mrs. John Gorrindo (new owners of the Dunes), Mr. and Mrs. Axel Muller, San Rafael, Mr. and Mrs. O. Postler, San Francisco, Mr. and Mrs. William Pohlmeier also of San Francisco, Judge and Mrs. Charrison, Kings Beach. It was a delightful affair—right out on the beach front. Refreshments were served during the whole party, Mr. and Mrs. Gorrindo being perfect hosts.

NEW OWNERS
Darroll and Denise Harrington from Whittier are building a fine new home on Brassie Avenue over the road from us. The Bonneto family have purchased a part of the Blake property on the same street and will be doing some improving — we certainly welcome these splendid families into our community.

VISITING
Julius Gold was here from Santa Barbara for a few weeks—staying with the Laverys. When he leaves here he will make for Palm Springs. Julius was certainly looking wonderful and it was so nice to have him visit us and hope it won't be to long before he will be back again.

MORE CHANGES
Jack and Marilyn Boatman have leased the George's Market in Kings Beach. Jack was with the Stop & Shop Market for quite a long time. We wish them lots of luck in their new venture.

SAD NEWS
We are all greatly saddened at the sudden passing of Carl Bettencourt of Kings Beach. Carl was taken ill very suddenly and was taken to the hospital in Reno. Funeral services were held Wednesday morning Sept. 30 at the White mortuary in Santa Cruz, where Carl's mother, father and sister live. Carl lived with his sweet little wife in a new home he had built at the top of Brassie Ave.

BUSY WEEKEND
The two casinos left open at Crystal Bay had quite a busy weekend. Besides the weekend tourists

MINING COMPANY IS ASKING CREEK WATER

SACRAMENTO—(CNS) — The state Water Rights Board announced it has received three applications from the Lake Tahoe Gold Mining Company for nine cubic feet of water a second from Home-wood, Madden and McKinney Creeks.

The applications from McKinney and Homewood Creek stated the water would be used for domestic and mining purposes, with a total development cost estimated at \$45,000.

The application from Madden Creek, for three cfs and 30 acre feet of storage a year, was for domestic and recreational purposes, with costs estimated at \$2,500.

Don't throw lighted matches or burning tobacco from your car; use your ashtray and help keep California green and golden.

there were a large number of board members here for a board meeting of the Nevada schools.

LUDLOW RESORT
The Ludlows' report that they had four buses from San Francisco plus three from the Nevada school members. A dinner was held last Saturday night at the Crystal Bay Club. The out-of-town guests had a wonderful time and the weather was just perfect for them. Larry and Peg surely see to it that their guests have every comfort and enjoyment.

DEER HUNTING
With the opening of deer hunting this weekend — I validated several tags and saw some mighty nice deer, most of them being local boys who killed the deer.

NO. 6044
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

NOTICE FOR PUBLICATION OF TIME APPOINTED FOR PROVING WILL, ETC.

In the Matter of the Estate of ORSOLINA BESIO, also known as ORSOLINE BESIO, deceased.

NOTICE IS HEREBY GIVEN that Friday, the 16th day of October 1959, at 10 o'clock a. m. of said day, at the Court Room of said Court, at the Court House in the City of Nevada City, County of Nevada, has been appointed by me as the time and place for proving the Will of Orsolina Besio, also known as Orsoline Besio, deceased, and for hearing the petition of Angelo Besio for the issuance to him of Letters Testamentary when and where any person interested may appear and contest the same. Reference is hereby made to said petition for further particulars. Dated, September 18, 1959.

JOHN T. TRAUNER, Clerk
By JACK K. HANSEN, Deputy Clerk
Wm. J. Cassettari, Attorney for Petitioner.

Nina Slade
Lambert 5-7751
P. O. Tahoe, Lake Tahoe

The Women's Club of Tahoe meets at their regular luncheon meeting at Tahoe Inn, on October 1. Guests are welcome. Mrs. Gertrude Wilt asks that anyone with ideas as to where the club might meet in January, February or March, get in touch with her. Mrs. Wilt will also welcome program ideas for the spring luncheon next June. Reservations for all luncheons must be made in advance. Telephone Mrs. Phil Geier, JUniper 3-3106, or Mrs. Snyder, JUniper 3-3526. Incidentally, in reporting the reforestation project of the Women's Club, we erred and stated they were prepared to reseed 6800 acres for reforestation. Actually they purchased 6800 seedling trees. The Women's Club would certainly like to reseed that many acres if they could.

Directors of the North Tahoe Public Utility District have scheduled a \$750,000 bond issue election October 20. They propose to pur-

chase an existing system owned by the Brockway Water Co. or to construct a parallel system. Improvement of fire protection is also contemplated.

Sportswriters and broadcasters plan a helicopter trip from Stead Air Base for a look-see at nearly completed Squaw Valley facilities.

Mr. and Mrs. Ray Prusso and family of San Leandro were guests at the N. R. Mayfield home last week.

Rev. Stanley Welsh of St. Nicholas church returned last Sunday and was welcomed home by capacity attendance.

Among the more than 150 postmasters at the National Association, C. Alf. Chapter No. 4 meeting last Saturday at Tahoe Valley were Mrs. Elizabeth Bavier, Truckee, Mr. and Mrs. Oliver Corona, Tahoe City, Mrs. Edna Obexer, Homewood, Mrs. Marge Fellowes, Carnelian Bay, and Vera Wood, Crystal Bay. The work session, including a seminar, revealed the new speed-up of mail in metropolitan areas through the use of dispatch centers for satellite post offices in their areas. Almost all the guests attended the dinner at Connolly's

to hear Verne Scoggins, regional director, speak.

Ran into Stan and Ila Martin in Carson City last week. Both send warm greetings to all their Tahoe friends. Stan is with Sierra Power in Carson City, after spending some time in Lovelock. Stan, Jr. is married and living in Lovelock, following in his father's footsteps with the Sierra Power Co. He and his wife Venita have an eight-month-old daughter, Venita Page Martin. Stan and Ila are mighty proud. Mrs. Martin, Jr. was the former Barbara Lindgren of Lovelock. Ila hopes that Tahoe folks stopping in Carson City will drop in to see her at Murdock's where she is working.

Borderlines are sometimes nebulous and troublesome for many. But as of last Sunday Nevada folks who live on the Nevada side of state line, can use a Stateline, Nev. address. Up to now the situation had been confusing for Nevada residents using the Stateline, Calif. post office because that was their official address. It led to their receiving notices from California for income and sales tax purposes.

All her Tahoe friends were delighted to see and visit with Mrs.

(Judge) Evelyn W. Bliss who spent a few weeks here. Mrs. Anne Anderson and Stella Watson enjoyed a ride-around-the-lake with her one day last week visiting Tahoe Keys. Sunday, Jack and Betty Starratt showed her around Squaw Valley.

Dr. Frank Hinman and Mrs. Hinman spent some time at their Rubicon home recently.

Glenn Miller of the Village Store leaves for a vacation trip Oct. 3 to visit his mother in Burlington, Kansas.

President Gladys Pedley of the Sutter District Area Women's Clubs headed a tour of Squaw Valley y the Wyethia Club.

The new units of Bill Bechtold's Travelodge around Tahoe Inn are going up fast.

It was almost a manless world last weekend. Hunters were absent en masse. We spotted five deer in the Village Store cooler tagged for John Hoerder, Jim Baker, John Cress, Lee Jones and Bill Keehn. Al Fanger of Tahoe came home toting a buck, and we learned that Al Henry, and Johnny Nicholson were on the hunt, as well as Carl and Bill Bechtold,

Pete Vanni and Dick Carnell. Met Harry Johansen, just back from Ladie Cove and Powder Horn, where he hunted with Bob and Mike McMahon. Frith Turner of Tahoe bagged his big buck last weekend.

A Tahoe Forest Hospital Auxiliary is a worthy project just begun by some 200 women of the North Tahoe area to help solve the nursing shortage. Mrs. Leland Baker invited the women to tea at her Squaw Valley home where officers were selected as follows: Mrs. Baker, president; Mrs. Enrico Gianinni, vice-president; Mrs. Jay Shontz, secretary; and Mrs. Adele deRyke, treasurer. Twenty charter members signed for the new organization. First regular meeting is on Tuesday, Oct. 6, 8 p. m. at Squaw Valley Lodge Recreation Room. Most everyone has used or been served by the Tahoe Forest Hospital and all Tahoe residents should bend every effort to support this auxiliary to supplement and increase the nursing service.

Rev. Leonard Sigal of Reno is serving the Baptist Mission which started two weeks ago Sunday in Tahoe City Community Center and elected officers for this year. Mr.

Eli Duncan will be superintendent of Sunday school which begins October 14. Mrs. Laura Anders, secretary-treasurer, will teach classes, and Miss Betty Blackburn will teach primary class. Mrs. Duncan will have the juniors and provisions will be made for young people and adult classes.

Jackie Jensen of Crystal Bay and the Boston Red Sox hit a two-run double in the last of the ninth inning last Saturday and then won the game with his 28th home run in the 11th, as Boston took a 5-4 victory over the Washington Senators.

Mr. and Mrs. E. P. Stoll of Piedmont vacationed at their Dollar Home last week.

Mr. Tony Ryerson of Chicago made a brief visit to his Brockway home.

Wayne Poulsen of Squaw Valley, who is a reserve captain of the Pan American Fleet has been transferred to the new Jet liners.

Mrs. R. S. V. Thomas of Auburn and Tahoe is recovering from a knee operation at a Bay area hospital.

Mr. and Mrs. Louis Celia have closed their cabins for the season and returned to their Berkeley home.

Lake Tahoe, along with 181 other places of special interest to Methodists, is listed on a large 8-page, gate-fold in the October Methodist American Guide to Tourists that will form one of the special features of the 175th anniversary of TOGETHER, Methodism's family magazine. One of the 14 places in California to be included, Lake Tahoe was chosen because Skylandia, a popular Methodist youth camp, is on its shores.

Vince and Dorothy Bushey of Bushey's Lodge, Tahoe, have batted down the hatches and left for their home in Hollywood. Vince is a cameraman with KTTV and missed out on closeups of Khrushchev by taking his vacation during Mr. K's San Francisco tour.

Mr. and Mrs. R. H. Sherman have left for their home in Palm Springs. Before leaving, Jean, on some of her long walks through the woods spied several deer and one bear. She was a little vague about the size and color of the bear.

Before closing for the season the owners of West Shore Lodge at Homewood gave a beach barbecue

for their friends and customers.

Mr. and Mrs. Jack Dow plan to spend the winter in Burlingame. They will close their Pinecrest Lodge this week.

Mrs. Anna Dugdale of Mountain View spent a few days with Mrs. Alma Guth.

The good word now is that the mud has been conquered at Squaw Valley and this year there'll be no repeat of the six inches or more of slush on the paths and streets. Contractors are completing paving or blacktopping all the side-the Olympic Games area. Streets and entrances throughout

Homesites at Chamberlands, the country-club style development near Tahoe, all designed for year-round living, are springing up. More than a dozen are occupied by owners, who enjoy the skiing, swimming, boating and water skiing privileges at nearby Chambers Lodge as part of their membership in the Chamberlands Beach and Mountain Club. There are some 1500 acres of mountains and woods behind Chamberlands also owned by the lodge which offers hiking and fishing.

Foster Record and Bobbie celebrated his birthday at Peggy Wheeler's Tahoe cabin. Emmitt Gordon joined the fun. It's always jolly to be around when Bobbie gets out her accordion and starts a song-fest. Reminds us of similar get-togethers in the Vienna Woods just after WWII ended. When their son, Butch, is home, he accompanies on his drums and the bongos, which always tempt one to get in there and thump.

Mr. and Mrs. Ralph Stanley of Stanola Lodge, Tahoe, are off on a jet trip east, stopping to visit friends and relatives in Chicago, Milwaukee, Nebraska, and Denver, before returning to their Santa Monica home.

NOTICE OF SALE

J. W. ELLIS, P. O. TO PREPARE FOR WINTER WITH A NEW

SNOW PLOW

WE HAVE A STOCK OF MEYER SNOW PLOWS

Designed for attachment to all types of vehicles Meyer Snow Plows, the world's first and foremost are built to out-perform and out-last all others. They are performance proved. The moldboard is designed better to provide fast removal of deep snow in shorter time and with less power. All parts are ruggedly constructed to take abusive treatment and yet are simple in design and easy to attach.

Come In Today and Let Us Explain The Advantages Of This Remarkable Equipment.

WE ARE PREPARED TO REPAIR, REPLACE OR INSTALL YOUR PLOW NOW. DON'T WAIT UNTIL WINTER.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY KINDERGARTEN: We celebrated three five-year birthdays during September. The honored ones

were Diana Fair, Michael McLane and Linda Vind. Patti Farrington, David Jouren and Pat Sullivan joined our class this week. FIRST GRADE: Two members of our class, Donna Horman and Sharon Ford, will be appearing on television on September 29. We are sorry that Beth Bodine has left our class. She has moved

back to Redding. FIRST AND SECOND: Charles Linn is a new boy in our class. He went to school in Germany. Nancy Raynor, Pat Stone, Joy Frates, Ben Garcia, Kathy Ingalls and Jimmy Baker went to the Washoe County Fair. Connie Bodine moved to Anderson.

SECOND AND THIRD: Best spellers in this room were Augustine Acosta, Mike Davis, Mark Manley, Dottie Kirk, John Poppe, Carl Mahon, David Capel, Larry Doyle, Sharon Conine, Debbie Lou Mather, Kathy Barrett, Ben King, Carol Paskel, Robert Gorham and Teresa Gonzales. The study of insects, reptiles and spiders continues. Tom Teel brought his lizard. Many insect specimens were brought in by Debbie Harris, Melanie Anderson and Carol Paskel. Debbie Lou Mather brought in a caterpillar which is now a cocoon.

THIRD GRADE: Two new members of the class this week are Johnnie Keller from Lincoln and Esther Jaurequi from Donner Trail School.

Those receiving 100 per cent in each spelling test for the first three weeks have been: George Franceschini, Ryan Houlgate, Joe Merica, Steven Selverii, Justus Spillner, Curtis Melugin, Sandy Eckerman, Terry Higgins, and Elizabeth Richards. Curt Mullis, Joe Reichlin, and Tammie Richards have missed only one word in three weeks.

FOURTH GRADE: Our first class officers of the year, Karel Lynn Sauby, president; Jill Wurst, vice president; Mike Kydd, secretary; have now turned over their responsibilities to new leaders, Mike Kydd, president; Jenny Wilhelm, vice president; Fred Wilhelm, secretary.

Outstanding spellers this week are: Kenny Brethauer, Diane Daly, Bo Goldsmith, Thomas Holleman, Mike Kydd, Bonnie Mather, Rod McCallen, Bill Rose, Linda Russell, Karel Lynn Sauby, Allison Spillner, May Stacy, Barry Waters, Fred Wilhelm, Jenny Wilhelm, Sonda Winters, Kathy Worley and Jill Wurst.

FOURTH AND FIFTH: Class officers elected for October were: Beverly Holleman, chairman; Gail Englehart, co-chairman; and Bill Waters, secretary.

Outstanding grades in spelling: Craig Mullis, Gail Lynn Stewart, Beverly Holleman, Gail Englehart, Bill Waters, Dennis Richards, Cam Houlgate, Pam Horman, Carol Brown, David Higgins, Chris Kumble, Judy Ingalls, and Jerry Householder.

In arithmetic, Stella Breiten-gross, Gail Englehart, Rod Farley, Beverly Holleman, Cam Houlgate, Billy Sassarini, and Harold Winters rated "Outstandings." Using the English language to near perfection were Carol Brown, Cheri Comola, Mike Conn, Rod Farley, Sharon Petersen, Lenny Vind, and Bernard Stacy. On a difficult social studies test Pam Horman and Jerry Householder were tops for the fourth grade while Cam Houlgate, Billy Sassarini, Carole Lynn Stewart, Gail Englehart, and Bev Holleman "scored" for the fifth grade. Dennis Richards wrote an interesting article about Salt Lake City. Having traveled in many countries, Jerry Householder has provided and will provide many interesting tales about his many experiences.

FIFTH GRADE: The fifth grade song group the "Rhythmites" are rapidly shaping up and hope to give a performance at the next P. T. A. meeting. The big voices so far seem to be Terry Richards, Shirley Constant, Joy Prine, and Darlene Doolittle.

SIXTH AND SEVENTH: Teddy Daniels, David Douglas, and Terry Stark are making large flags of Mexico. Mr. Handy's sixth and seventh grade had a review test in multiplication with the emphasis on the use of zero.

TNT Tidings

By SHERRY THATCHER "Lavender Blue" was the theme of the dance Friday evening sponsored by the song-leaders and cheer-leaders. A turnout of about 250 students enjoyed dancing to popular records, and entertainment. The song-leaders presented a routine to "Okefenokee", and the cheer-leaders did a beatnik-modern dance number to "Poison Ivy."

Friday, Oct. 2, the Wolverines travel to Winnemucca to battle the Buckaroos. The more support they can get, the better their chances of winning will be. Game time is 7:30 p. m.

Annuals have been on sale at noon for sometime. The deadline for purchase is Nov. 10. The price is \$4.00 with student body cards, \$5 without. This year, for the first time, there will be a supplement that will be sent to the students during the summer. It will contain pictures of the spring events that otherwise would not appear in the annual; such events as the baseball games, the prom, and the graduation ceremony. The cost of the supplement is \$1.

The sophomore class held an election, Thursday, to fill the positions of president and secretary recently vacated by Kathy Hudspeth and Linda Basholdt, who have moved away. The new officers are Terry Walker, president, and Joanna Johnson, secretary.

Neal Gates, formerly of Ceres High School, in Modesto, is coaching the basketball team this year. He was born in Champaign, Illinois, and attended Ohio State College. Gates says that, although Tahoe-Truckee is the smallest school in which he has taught, he likes it here because the students are friendly and so well-mannered.

The drama class is planning to present an assembly program soon. Mrs. Sauby, the instructor, says. Right now they are studying "Tea House of the August Moon," and are going to select the cast this week.

William Vassar, our new teacher in auto shop, was educated at San Jose State College. After he graduated, in 1955, he taught at Santa Rosa Junior College for a

year. His next move was to join the U. S. Army, which stationed him in Karlsruhe, Germany, in January 1957. He left Germany in June of 1959 to come to Truckee High School. He decided to become a teacher because he felt the need for people to have more training in mechanics. There is a great need for more and better mechanics, he says.

The G.A.A. has begun its program for the year with ladder tournaments in tennis and archery. The girls are enthusiastic, says Miss Evelyn Ames, the instructor, and there are some good players among them. A full and interesting program has been planned for the year.

The seventh period Spanish class is planning a trip to Mexico. After seeing the movie "Motoring Through Mexico," the students know how interesting and exciting Mexico really is. Our instructor, Mrs. Stewart, is not sure that she can take us, but it will be fun planning the trip. Want to go to Mexico?

It is unlawful to throw anything from your car which will litter our highways; carry a litter bag and use it.

Tahoe Items

Mr. and Mrs. Snowden Burch have moved to Palm Springs where she has accepted a position in a large trailer park, in the office part of the day and will be occupied the balance of the time as entertainment hostess for the concern. The former Kings Beach couple thought they would get away to return to the lake for a visit but when the opportunity came to work only eight months of the year, the plan changed.

Leaving Kings Beach for a change of scenery are Mr. and Mrs. Wendell Schumacher who have gone to Iowa, the B. F. Landcasters visiting in Sacramento and E. M. Frost who returned to Fontana.

The A. L. Rodriguez family left for Auburn after a stay at Tahoe City.

Mr. and Mrs. Don Huff are at their Woodland ranch, having been at Homewood for several months.

The B. E. Morgans left Meeks Bay for Arroyo Grande.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern: Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

E/S Bridge N. of Church St. Int., Truckee, Nevada County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

On-Sale Beer and Wine License (Bona Fide Public Eating Place)

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

LESTER R. LAZZARI and RENATO LAZZARI

NOTICE OF VARIANCE

VARIANCE FOR SIGN BROCKWAY VISTA

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission on Friday, October 9, 1959, and Friday, October 23, 1959, at the Court-house, Auburn, Placer County, California, at the hour of 11 a. m. to consider the application of Richfield Oil Corporation for a variance to construct a 3'10" x 22'8" double faced plastic-metal sign at front of property with not less than 14' clearance above finished grade to bottom of sign. Said variance is required in order to build a sign larger than 50 square feet, or approximately 66 square feet, on the following described property:

North 65 feet of Lots 28-29-30-31-32-33, Block BE, Brockway Vista Subdivision, Kings Beach, Lake Tahoe.

At said hearings all persons in favor of or opposed thereto may be heard.

HARRY STUBBLEY, Secretary Placer County Planning Commission

NANCY CAPERON, Clerk of said Commission

STETSON HATS

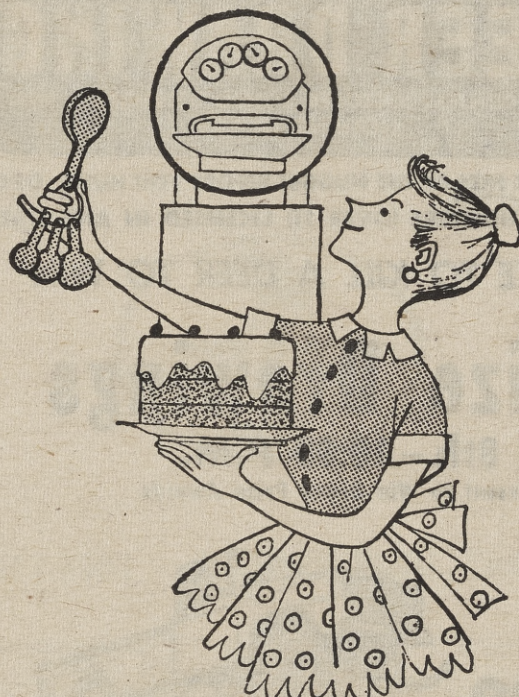

From
\$11.95

THE OPEN ROAD

You are looking at the hat treasured by most men in the West, and by a great majority of men across the land. These men desired a hat that was comfortable, good looking, and was able to take everything the weather had to offer. The Open Road gave them all of these things. We suggest that you visit us today and experience the pleasure of wearing this truly remarkable Stetson Hat.

your electric meter ...

more accurate than your measuring spoon

You put a lot of faith in your measuring spoon. If it isn't accurate, you may mess up that new cake recipe.

You can put a lot of faith in your electric meter, too. This precision-built instrument measures the amount of electricity you use—and it's much more accurate than your measuring spoon.

Your electric meter is tested and re-tested ... to be sure it measures the exact amount of electricity you use, day after day. No commodity you buy is measured more accurately than electricity!

DONNER DOINGS

BY VIRGINIA O' BEAR

Mr. and Mrs. William Ost of Donner Lake have closed their Ost Motel for the winter and will be living in Reno, Nevada. We will miss them but since Ost has been in poor health for awhile, a rest will do him good.

Mr. and Mrs. Roy Teele left Tuesday to take their grandchildren back to Los Angeles. The children have been here for the summer and attended school here since it started August 31. Roy and Betty expect to be back soon.

Mr. and Mrs. Arthur Johnson and children were up the past weekend and were showing off their brand new red Fiat. The Johnsons just finished painting their home here at Donner Lake that they are renting to the Roger Brown family. It is a pretty pink and a soothing color for me to look at every time I look up the hill in back of us.

Do you want a post office at Donner Lake? All you have to do is call me on the telephone, tell me how many members in your family, the ages of your children, number of other people living at your home receiving mail, and how far you are from the Truckee post office. Just call LUTHER 7-3683. The sooner we turn in the names, the sooner we get a post office. Let's all get busy, it is for our convenience.

I was informed this week that we need more signatures to turn in to the Nevada County Planning Commission. If we intend to zone Donner Lake as it should be done, we have to have a good showing. I know a lot of people want it but have not found time to sign the petition. The petition can be found in four places now for your convenience. One is at Welch's Hardware in Truckee, one at Armstrong Realty at Donner Lake, at the Donner Trading Post and I have one at the Lakeview Hotel at Donner Lake. Please add your name to the list if you have not yet done so. It is for the benefit of all who live at Donner Lake.

I was just talking with Mrs. Frank Stewart. She received a letter from her brother Al Swanson in St. Paul, Minnesota. He sent her a clipping from a St. Paul newspaper telling about the little boy who won a Blue Ribbon at the Placer County Fair. The little boy is Dennis Weiler of Truckee. Dennis is only seven years old and in the second grade and carried off a blue ribbon for first place and one for third place. Small world, and Al was thrilled to read it in his home town paper because he was out here this summer with his lovely wife on vacation.

HAL WELCH, YOUR HOST

John M. Lee

DISTRICT GOVERNOR WILL VISIT ROTARY

KINGS BEACH—The Rotary Club of North Lake Tahoe Monday, Oct. 5 will be host to John M. Lee, governor of the 519 Calvada District of Rotary International, who is making his annual official visit to each of the 44 Rotary Clubs in Northeastern California and Northern Nevada.

He will address the local club and confer with President Richard A. Springer and Secretary Elmer J. Stokes and committee chairmen on Rotary administration and service activities.

Lee is president of a real estate and insurance firm bearing his name in North Sacramento and is a former newspaper editor. He is a member and past president of the Rotary Club of North Sacramento. He was elected as the district governor of Rotary International for the year 1959-60 fiscal year at Rotary's 50th annual convention in New York last June. He is one of 261 district governors supervising the activity of more than 10,200 Rotary Clubs which have a membership of nearly 500,000 business and professional executives in 113 countries throughout the world.

ACTIVITIES OF LAKE CHAMBER REPORTED

TAHOE CITY—In a report from the board of directors of the Lake Tahoe-Sierra Chamber of Commerce, President T. L. James points out that the chamber has been active during the past months working for the advancement and improvement of Lake Tahoe.

Major programs now under way, James cites, are seven choice highway signs from Cordelia to the west to Winnemucca on the east which are viewed monthly by nearly 2,000,000 people.

Because of a limited supply, folders are being distributed only in response to bona fide requests. An expensive directory, listing all Lake Tahoe-Sierra chamber members, is being prepared for widespread distribution.

James said there is still an abundant supply of Olympic Game stamps available and urges all members to see them freely. A 22-minute motion picture in sound and color describing the north end of Lake Tahoe and along approaching highways is in final stage of production and these films will be distributed throughout the nation, as funds permit, for showing at service clubs, schools, etc.

The chamber, James reported, is working closely with the Lake Tahoe Area Council, which has adopted a budget of \$126,740 to run through 1960.

Design of the Ice Arena for the VIII Olympic Winter Games at Squaw Valley, Feb. 18-28, 1960, won first prize in the nation-wide progressive architecture design awards for 1958. Architects for the arena and all other buildings for the VIII Olympic Winter Games are Corlett and Sparkman, Kitchen and Hunt, San Francisco.

DONNER SUMMIT NEWS

BY DONNA POWERS

HUNTING SEASON OPENS

Each year we think no more hunters could appear on the first day of hunting season but each year it seems many more do. In an effort to be on the stand early Saturday morning hunters were entering the area Friday in a never ending stream of automobiles. Sunday evening the convoy returned from the hills, many bringing with them the buck, as evident by the many sets of antlers displayed.

CATECHISM CLASSES

September 21 at the Donner Summit Lodge Father Roswog of Truckee held the first in the series of Catechism classes for Catholic children in the Donner Summit area.

SUMMIT SIT MEETS

The ladies club of the Donner Summit area known as the Summit Sit held its second bi-monthly meeting Wednesday evening September 23 at the Cisco Grove home of Mrs. Dorothy Bacon. The talk of the group was of the coming 1960 Winter Olympic Games and plans local residents are making for the occasion. A tasty conclusion to the evening was the coffee and delicious home made cake Mrs. Bacon served to the ladies present who were Mrs. Kate Zoll, Mrs. Francis Drago, Mrs. Westlake, Mrs. Weiss, Miss Jean Kessey, Mrs. Beverly Cardwell, Mrs. Zona Madden, Mrs. Judy Hambridge, Mrs. Violeta Mason, Mrs. Lola Schull, Mrs. Joyce West, and Miss Power. Mrs. Lola Schull has invited the group to the Kiskie Lodge for the next meeting which will be held October 7.

DINNER GUEST

Miss Jeanne Kessy a past primary teacher of the Donner Trail School and Miss Power present primary teacher enjoyed discussing experiences at the school over dinner served by Miss Power in her Soda Springs home Thursday evening.

RETURN HOME

Mr. and Mrs. Harry Pratt of Soda Springs have returned from their vacation which took them to Mexico. The couple left California by plane from Tijuana which put them down in the beautiful sea coast city of Acapulco.

COLLEGE STUDENT

Miss Nancy Williamson, daughter of Mr. and Mrs. Max Williamson of Soda Springs is reported enjoying college life at Sierra Junior College in Auburn.

HAMBRIDGE WILL MOVE

Mr. and Mrs. Dick Hambridge

FIRE FIGHTING SHOWN AT ROTARY SESSION

TAHOE CITY—The program for the Tahoe City Rotary Club meeting on September 22 was before dinner. At the back yard of Tahoe Inn, Joe Holms, an Oakland

who are currently living at Blue Canyon airport will move to Sacramento. At present Hambridge operated the Blue Canyon Weather Station.

HUNTERS RETURN

Saturday the team of hunters to the Idaho wilderness returned to Norden. Wade Hampton and Herb Fredericks were both glad to see sunshine again. Throughout the entire trip it rained, and snow fell the last day. The party shot an elk which weighed an estimated 600 pounds dressed but because of poor weather they lost the meat by spoilage.

dealer in chemical fire extinguisher, demonstrated the latest fire extinguishers. He was assisted by Barney Foresight, fire chief at U. S. Steel of Pittsburgh. Of special interest to local firemen, several of whom are Rotarians, was the dry chemical fire extinguisher which proved most effective on gasoline and propane gas fires and need not be protected from freezing.

At the meeting it was decided to change the September 29 meeting to Wednesday the 30th for a joint meeting with the Truckee Lions Club to complete arrangements for the forthcoming Calcutta golf tournament to be held on the Tahoe City Golf course, on Sunday, October 4.

Attending the meeting were 35 members and five visitors. Bill Bechdolt presided.

DONALD KAASTRUP
ENDS ARMY TRAINING

FORT ORD, (AHTNC) — Pvt. Donald L. Kaastrop, Jr., whose parents live in Tahoe City, completed the eight-week basic army administration course Sept. 11 at Fort Ord. Kaastrop received training in typing, record keeping and army clerical procedures.

The 20-year-old soldier entered the army last May and completed basic combat training at Fort Ord. A 1956 graduate of Hayward High School, he attended College of San Mateo.

There will be five different ice areas at Squaw Valley, for the VIII Olympic Winter Games, February 18-28, 1960. Besides the 85x190 rink in the main arena and the 400-meter speed skating oval, there will be two regulation-sized hockey rinks to the east and west of the oval and another practice rink in the Olympic Village, one-quarter of a mile from the arena.

to visit our fellowship where the Bible is still believed, proved and taught.

The morning worship service will observe the Lord's Supper. Of the various figures used to describe Christ and the believers, perhaps none better picture this relationship than that of the Shepherd and His sheep. John, Chapter 10 refers to Him as the good, the true Shepherd and His followers as sheep. The message will prepare our thoughts for the communion table.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse
Truckee.

Everyone Welcome

Sunday School: 9:30 a.m.

Morning Services: 11 a.m.

The divine source of all true power will be emphasized at

Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "Unreality" will include this verse from Psalms (62:1): "God hath spoken once; twice have I heard this; that power belongeth unto God."

Correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (228:25-27): "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God."

The Golden Text is from Matthew (7:19): "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and not later than October 22, 1959, at five o'clock p. m., at which place and time bids will be opened for the purchase of one used school bus in accordance with the specifications on file at the office of the District Superintendent.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1959 regulations.

The Board of Trustees reserves the right to reject any or all bids, in part or in toto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any and all items for which bids are

offered and furnish a certified check in the amount of ten (10%) per cent of the bid to guarantee faithful performance of contract. By order of the Governing Board.

**NEW TRAFFIC LAWS
ARE NOW IN EFFECT**

The motorist who mixes alcohol and tranquilizers will be liable to conviction as a drinking driver under new legislation that became effective September 18, Bradford M. Crittenden, commission of the California Highway Patrol, announced.

"This new law closes a loop hole through which many drivers have escaped punishment ever since the use of tranquilizers became widespread," Crittenden continued. "The people actually were in no condition to drive an automobile, but because the amount of alcohol they had consumed was not enough to cause intoxication by itself, the cases were lost."

"The new amendment specifically prohibits driving an automobile while under the combined influence of an intoxicating liquor and any drug."

This change in the law is one of several that became effective Sept. 18. Not included, however, is the new 65 mile per hour maximum speed limit which does not become operative until next January 1.

There are two changes in the speed laws that did become effective, however. One increases the maximum speed for three-axle trucks and truck-trailer combinations from 45 mph to 50 mph while travelling on highways of four or more lanes. The other fixes the maximum speed of a farm labor bus or farm labor truck at 45 mph when it is transporting passengers. "Pedestrians will be affected by another change in the Vehicle Code," the California Highway Patrol commissioner said. "They will now have to yield the right of way to all vehicles lawfully in an intersection even though the signal changes to 'go' for the pedestrian."

Another new section prohibits stopping, parking or leaving a vehicle standing upon a freeway, except when it is necessary to stop to prevent injury or damage.

**PLACER CHAMBER IS
BUSY WITH GAMES**

AUBURN—Placer County Chamber of Commerce officials report they have received applications for housing more than 100 persons during the staging of the 1960 VIII Winter Olympic Games in Squaw Valley, Placer County.

Chamber President T. L. Chamberlain, Jr., said the chamber is an official housing office for obtaining rooms for visitors to the February games.

Chamberlain declared the chamber is handling housing for an area from Roseville, Placer County, to Cisco. All applications for reservations are forwarded to the chamber from the Olympic housing director in Squaw Valley.

According to officials, no short stay accommodations are available in the Lake Tahoe and Truckee areas.

**TAHOE STUDENTS ON
SIERRA HONOR GROUP**

KINGS BEACH—Nikki Wing of Kings Beach was elected treasurer and James Pugh of Tahoe City, vice president of the Sierra College chapter of Alpha Gamma Sigma, state junior college scholarship honor society, when the group reorganized for the fall semester with 26 active and asso-

ciate members.

Edith Yamasaki of Auburn was chosen president.

Bruce Denison, faculty advisor, said there are some additional active members on the campus who still have time to apply for membership.

**APPLICATION NEEDED
FOR POSTAL CLERKS**

Postmaster Elizabeth C. Baviera announced today that applications are now being accepted for the positions of postal clerk.

"To stay abreast of the growth of our city, the Truckee post office must continue to recruit well qualified employees if it is to maintain high standards of mail service in this community," Postmaster Baviera said.

Recent legislation has raised post office starting salaries to \$2 per hour, with annual increases to \$2.42 per hour. Ten per cent additional is paid for night work.

The postmaster pointed out that postal careers offer high security, plus excellent opportunities for advancement, regular salary increases, low-cost life insurance and a liberal retirement system. Postal workers enjoy 2½ to 5 weeks annual vacation, depending upon length of service, and are allowed 13 days sick leave with full pay each year, she added.

Applicants must reside within the delivery limits of the Truckee post office, must be U. S. citizens at least 18 years of age, and must qualify on a civil service examination before they may be appointed.

Applications will be accepted from both men and women. The postmaster urges interested persons to obtain information

and application forms from the Truckee post office.

DEDICATION

Continued from Page 1
talks by the guests and officials. Division of highway officials present included beside Lowden, H. F. Sherwood, D. J. Steele, D. E. McCollum, Blair Geddes, A. J. Gallardo, Charles Schemel, William Green and K. C. Jones.

Tom James, representing the Lake Tahoe Sierra Chamber of Commerce, and Fred Schultz and Ray Smith, officials of the Lake Tahoe Area Council, Gladys Rohl, secretary of the Placer County Chamber of Commerce, and Howard Turner, representing the Reno Chamber of Commerce were among the guests.

From the county seat were John Trauner, county clerk and auditor, Sheriff Wayne Brown and Under-sheriff Frank Gallino and Assessor Charles Kitts.

Lou Spitz, head of the department of motor vehicles and Chief Robert Stenovich of the Nevada Highway Patrol, were among the guests from Nevada. Sergeant Snyder represented the California Highway Patrol.

TWO PROJECTS

The celebration dedicated two separate projects, the first 8.8 miles from Truckee to Boca, built by Frederickson and Watson and Ransome Company at a cost of \$7,620,606 and the second from Boca to Floriston constructed by Isbell Construction Company, Granite Construction Company and Gordon H. Ball, Inc., at a cost of \$7,325,011.

These two projects, added to the 5.5 mile stretch between Floriston and the state, which cost more than \$5,000,000, completes a 21-mile section of freeway.

MUCH MATERIAL

More than 4,525,000 cubic yards of excavation was required on the two projects, while nearly 100,000 cubic yards of concrete on 900,000 tons of base and subbase material. There were 185 separate bid items on the two projects which required 18 months to complete.

An attractive commemorative program, prepared by the division of highways, was circulated among the scores attending the ceremonies.

CUSHING IS CHARGED IN WATER COMPLAINT

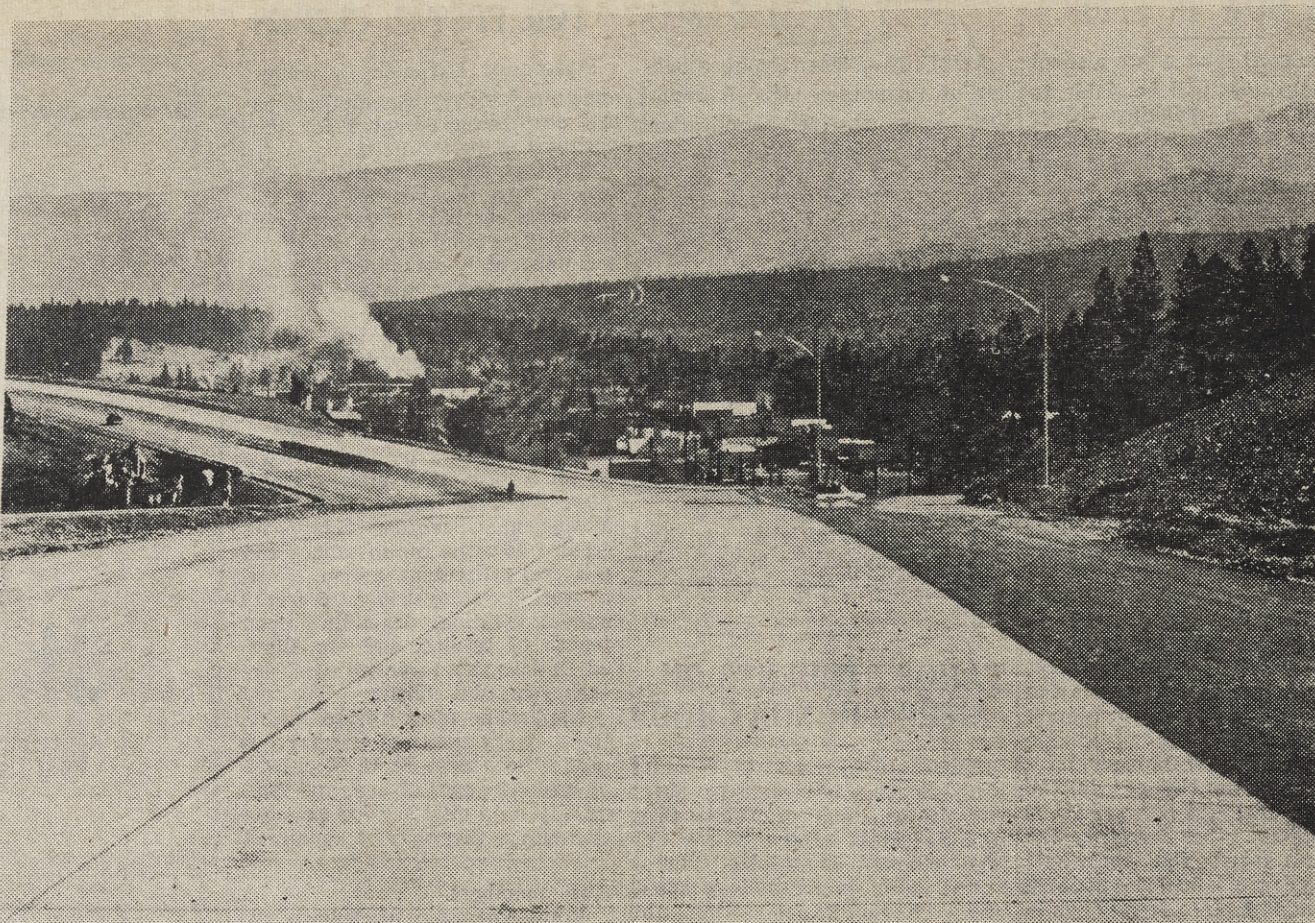

A complaint prepared by Deputy District Attorney Joe Ewald and signed by Dr. Richard White, Placer County health officer, charges that Alexander Cushing, principal landowner in Squaw Valley has been furnishing unsafe water.

The complaint was filed in the Tahoe Judicial District Court against Cushing and the Squaw Valley District Water Company, reportedly owned by Cushing. A warrant for the arrest of the defendant could not be served as Cushing was out of the state, and no one seems to know about the water company named in the complaint.

SECTION OF NEW TRUCKEE TO NEVADA 21-MILE FREEWAY

This is a section of the new freeway dedicated last Thursday. With Truckee to the right of the picture, the strip of high-

way is at the overpass near the James McIver home. Old Highway 40, will become a county

road, passes under this overpass, while the road to the right enters the town. The new freeway dedication marked the comple-

tion of the various road projects in this immediate area costing approximately \$22,000,000.

MOUNTAINEERS

Continued from Page 1
was the initial stanza when they pushed across four tallies.

Howard Zunino led the Nevadans hitting pace with five base knocks while teammate Bob Ferrari had four, including a three-run homer in the big seventh.

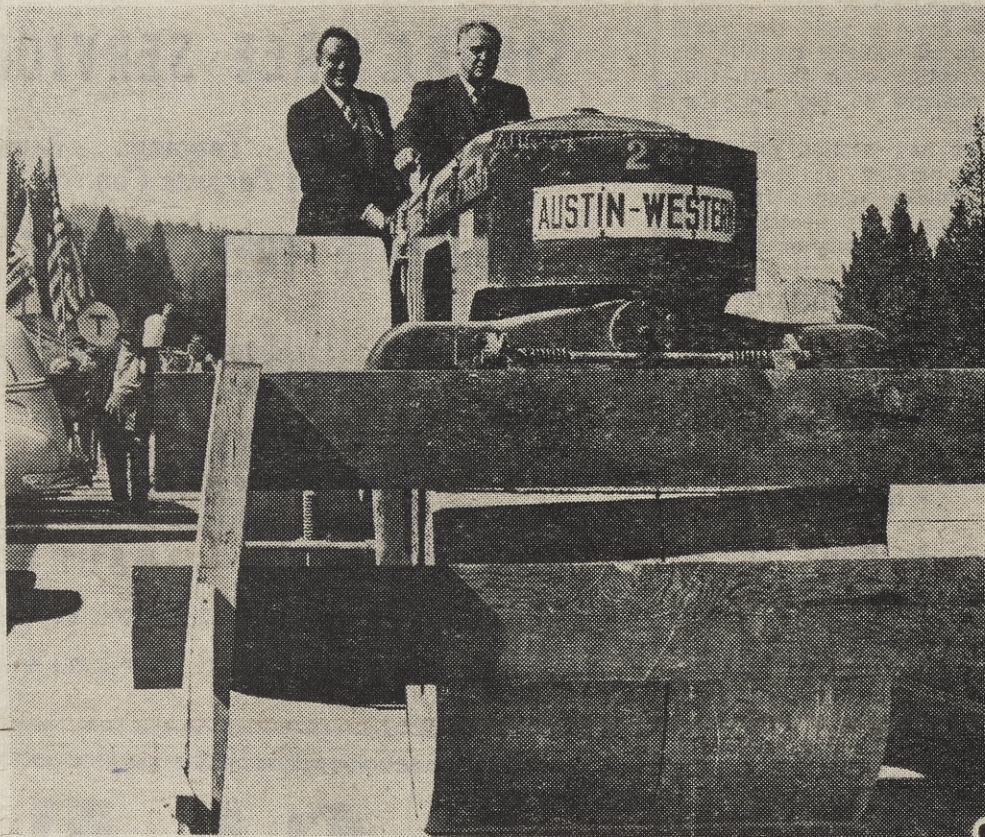

Bill Campbell and Julius Jones led the Mountaineers with two hits apiece; the latter batting home three runs.

The loss was disastrous to the home town nine; it was the second game of a best-of-three-series for the Zone Playoff Championship of the Sierra-Nevada League; Verdi won the first contest two weeks ago in Nevada, 7-5. A win by the Truckee club might have meant a forced third and deciding game.

The loss, added to the locals season record, left the Mountain Men with an overall 11-5 record. The Truckee team managed to tie Verdi for the Sierra-Nevada League pennant in regular season play but dropped the playoff game 7-6 at Verdi. The Mountaineers then went on to whip the Fallon Merchants 9-6 on the local field in the semi-elimination game of the Zone.

Team manager Al Wakefield along with field manager Louie Goicoa and Bill Campbell agree that the local team completed a very fine campaign despite their losses in tournament play. They would also like to thank, along with the entire Mountaineer team, those devoted rooters and backers who continually supported their "59" cause.

OFFICIALS BREAK FREEWAY BARRIER

Congressman Harold T. (Bizz) Johnson and State Senator Ronald Cameron drove the big roller which ripped down the barrier marking the opening of the new

Truckee to Nevada state line freeway last Thursday. Both Johnson and Cameron participated in the ceremonies ar-

ranged by the Truckee Donner Chamber of Commerce. The dedication was held on the knoll just back of the Tahoe Forest Hospital.

WOLVERINES

Continued from Page 1

of the end zone for Bishop's first six points. The Wolverine's came right back up the field following the ensuing kick-off only to fumble away a golden scoring opportunity on the two yard line with second down and goal to go. McMurry got off a tremendous quick kick, eighty yards down to the Truckeeites twenty yard line and after making one first down the Wolverines again fumbled the ball back to the Broncos and presented them with their second scoring opportunity.

Truckee, held, however, and punted out to Bishop's forty-five yard line, but McMurry, who did everything for the Broncos but sell tickets, ran the kick back thirty yards to the Truckee twenty-five yard line. On second down from this point, the hard charging full-back broke over his left tackle and after apparently being stopped by four TNT defenders, broke away and went into the end zone standing up. This left the half time count 12-0.

Wolverine rooters took some heart midway through the third period when Bill Notley, junior fullback, broke away for fifty-two yards and set up Tahoe Truckee's only score. Notley, caught from behind on the fourteen yard line, went up the middle to the eleven and Jerry Cinani passed to Sam Medford for the score. McMurry put the game out of reach for the Wolverines however, when he scored twice in the fourth quarter on short line smashes from inside the ten yard line. One touchdown was set up by another Truckee fumble and the other was on a fairly sustained drive of fifty yards, the only real drive the Broncos had all day.

Statistics bore out the actual costliness of the Wolverine fumbles as Truckee actually outgained Bishop two hundred twenty-two yards to one hundred ninety-six but were beaten in the first down department ten to nine. Capt. Marty Kumle, senior guard, played his usual stellar game on defense and Bill Notley averaged nine yards per carry to lead the Wolverine offense. Brian Calhoun, fireplug right guard in Truckee's unbalanced line offense, was injured on the opening kick-off (pulled ligaments) and will miss the all important en-

counter at Winnemucca this Friday night. The game will mark the opening of the conference for the Wolverines. The Buckaroos are undefeated to date and are defend-

ing conference champions.

On Saturday the local junior varsity eleven will host Nevada Union's JV team at 2 o'clock on Tahoe Truckee's field.

LETTER WRITING IS SPONSORED BY P. O.

By NINA SLADE

TAHOMA—Lake Tahoe post offices, along with the rest of the nation's post offices, celebrate the department's 22nd annual Letter Writing Week from October 4 to 10.

A personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Why not take time this week to write today to those away.

Post offices throughout the country will display posters showing a mailman in the new postal vehicle called the mailster. P. O.

trucks will carry banners proclaiming that letters are fun to send and exciting to receive.

This week is a fine time to write neglected friends, relatives, hospitalized vets, and foreign acquaintances. It's probable that you could query the world and never find a person who doesn't enjoy and look forward to receiving letters. As a postmaster, we know first hand the importance of letters from loved ones and friends. This is a good time to remember that servicemen, a hospitalized patient, faraway friends and relatives who will welcome a personal letter.

GOOD THINGS COME IN SMALL PACKAGES

It is not uncommon to hear someone say: "These pills are so small that I can't understand how they can be very effective" or "How can these tablets cost so much when they don't look any different from an aspirin tablet?"

Few of us realize how potent our modern drugs are, and how little of a drug is usually needed to produce a significant effect.

Base your judgment of a drug on the benefits you receive in relief and healing, not on the size of the tablet or its cost.

When new pharmaceuticals are discovered we will have them for your prescriptions.

Filling your prescription is the most important part of our business.

THESE TWO SCIENTISTS ARE CONVINCED THAT THEY HAVE DEVELOPED A PROCESS FOR CONVERTING COAL INTO DIAMONDS!

AND TECHNICALLY WE'RE RICH!

SO WHAT IF THE PROCESS ALSO CHANGED THAT OLD BUM, GROGGINS, INTO A TREE, TECHNICALLY WE'RE INNOCENT--

SO THE GIMMICK IS YOU, EH, PAL? TELL ME, DON'T IT GET KIND O' COSTLY SWITCHIN' A DIAMOND FER A HUNK O' COAL?

PRECISELY WHY I AM ABOUT TO SUBSTITUTE FOR THAT PIECE OF COAL---

--NOT A DIAMOND, BUT--

BUT (CHOKES) WHAT-- AS IF I DIDN'T KNOW!

ONE DIAMOND COMING UP, ATOMLY!

JUST A FEW SECONDS MORE--AND WE'VE GOT ANOTHER DIAMOND TO DAZZLE THE WORLD WITH!

ATOMLY!! OUR NEW DIAMOND LOOKS ENORMOUS-- ALMOST (GASP) THE SIZE OF A FULL-GROWN MAN!

IT IS THE SIZE OF A--

--(SHUDDER) MAN!

HI, PALS! WHAT'S NEW?

IF HE'S NOT A GHOST-- THEN WE'RE BOTH STARK, RAVING MAD!

ONE SIDE, BUSTER-- I'M COMMITTING MYSELF!

WELL, THAT'LL TEACH 'EM NOT TO TAMPER WITH THE LAWS OF NATURE-- NOW THEY KNOW THAT A DIAMOND IS A DIAMOND, AND A LUMP OF COAL IS A LUMP OF COAL!
